Model 500 Brick Oven

Great for the do-it-yourselfer or custom install, the Etna Model 500 has everything you need to build the perfect-sized oven for residential use. The oven is easy to install into most outdoor kitchens and provides 29" x 23" of cooking surface for your favorite backyard brick oven creations.

- 4-piece oven (Dome, Front Hearth, Main Hearth, Arch)
- Decorative Door, Flue Adaptor
- Install Kit (Insulating Board, Insulating Blanket, Mortar)
- Cooking Kit (Pizza Peel, Brush)

Model 750 Brick Oven

The Etna Model 750 is the perfect oven for large families and people who love to entertain a crowd. In addition to the basic oven components, the Model 750 features an insulating door (for closed-door cooking and baking). With over 41" x 28" of cooking surface, you will have plenty of room to explore wood-fired cooking and impress your friends!

- 3-piece oven (Dome, Hearth, Arch)
- Decorative Door, Flue Adaptor, Flue Adaptor Ring
- Install Kit (Insulating Board, Insulating Blanket, Mortar)
- Cooking Kit (Insulating Door, Pizza Peel, Brush)
